

WORLD ENVIRONMENT DAY 2018

Celebration

At

UDAIPUR CEMENT WORKS LTD.

SHRIPATINAGAR, NEAR DABOK, UDAIPUR

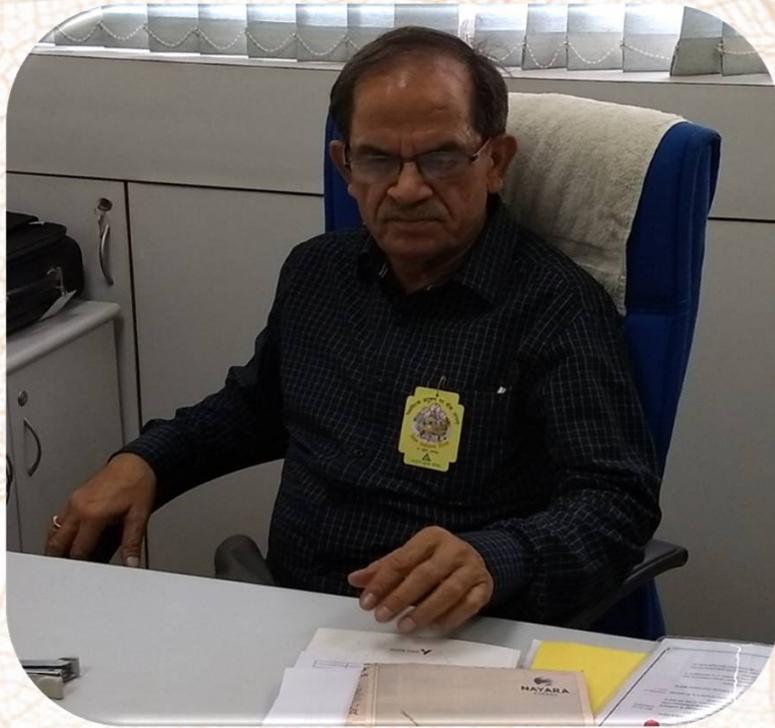

THEME OF THE DAY

“BEAT PLASTIC POLLUTION”

The discovery of plastic has proved to be more dangerous to mankind than the atomic bomb itself. Given the colossal harm that plastic can do to us, it is an issue that requires urgent attention.

This year our country INDIA has chosen as a host country to celebrate the World Environment Day 2018 on global level.

Distribution of Environment Badges

Distribution of Environment Badges

ACTIVITIES ON THE OCCASSION

Various type of competitions are organized at UCWL to spread awareness among the people about the use of plastic.

Competitions like Slogan competition, Poster competition, Quiz competition, Speech competition etc. started from 01.06.2018 and the prize distribution ceremony was on 05.06.2018.

As every year Prize distributed to the winners. From this year an initiative has been taken to replace packaging of prizes in plastic packing papers. All prizes were distributed in cellulose bags which are eco-friendly.
