## VETERINARY CAMP

Around operational area of UCWL livestock population is densest, but veterinary services are not able to have sufficient reach. Thus, free veterinary camps in collaboration with Animal Husbandry Department; Government of Rajasthan at Dhunimata Gram Panchayat and Talai Gameti Basti of Gram Panchayat Toos- Dangiyan. The camp consisted treatment of animals suffering from any disease, vaccination, pregnancy diagnosis and general health checkup of the animals. Attendants were provided medicines and mineral mixtures for free as per requirement of the animals. It was also ensured that the cattle keepers were made aware of the diseases that may happen during this season. Since such camp is significant for the targeted group, it evoked a huge response. Total 548 cattle were provided veterinary services.

## FARMER TRAINING CUM EXPOSURE VISIT

On the concept of "Seeing is Believing", training cum exposure visits to Vidhya Bhawan Krishi Vigyan Kendra; Badgaon, Udaipur was organized in order to enable farmers from the operational area to interact, learn and adopt the advanced practices in farming & livestock evolved out of using new technologies & practices. One visit was exclusively organized for women farmers. Around 51 farmers availed benefit of this activity.

## CELEBRATION OF INTERNATIONAL WOMEN'S DAY

We marked this year's International Women's Day, by organizing a special program where our efforts and commitment to empower women were highlighted. Beneficiaries who got benefitted from various CSR activities shared their experiences. Further, our women employees educated the women beneficiaries on the discriminatory practices that need to be ended and the importance of gender diversity in these evolving times. Over 30 participants, including women employees and beneficiaries belonging to operational area of UCWL gathered on the occasion.

## JOY OF GIVING

The Joy of Giving is an initiative that encourages employees to support underserved communities by donating. This program not only injects values of social commitment and responsibility into the work culture but also in the lives of the employees and their families. Around 20 families of the Rangaswami community, who collect money from people mostly on Saturday were benefitted from this.

## FREE EYE CHECK-UP CAMP

Free eye check-up camp assuring COVID- 19 precautionary measures in association with Unnati Sansthan were conducted primarily for the truck drivers, helpers & cleaners, with an aim to provide effective eye care solutions by diagnosing people's visual defects and then providing spectacles who were identified to have refractive errors. This program ensured benefit to the bottom-of-the-pyramid in our product value chain i.e. truck drivers, helpers & cleaners and will have a very positive impact on road safety and truckers' safety. Around 75 patients were registered and around 20 patients, who were identified to have refractive errors, were offered with spectacles.

## HEALTH CAMPS

Recognizing the challenges of the underprivileged from rural areas to access healthcare especially during challenging time of COVID- 19. Conducting health check- up camps assuring strict adherence to the COVID-19 precautionary measures for the underprivileged around mines periphery has been one of the activities which was done on weekly basis. Along with this, the beneficiaries especially the school students were provided with awareness session on COVID-19 and its impacts. During these camps attendees, were provided free medicine according to their health issues. These camps have been a great benefit for people who could not reach the hospital due to COVID- 19 pandemic and also for them who can't afford. Till March' 2021 total 429 patients benefitted from it consisting 193 women, 148 men and 88 children.
