## CELEBRATION OF 137<sup>th</sup> FOUNDER'S DAY:

On the 137<sup>th</sup> birth anniversary of Late Lala Kamlapat Ji Singhania, J.K. Organisation celebrated its founders day on 12th November 2021 through virtual mode. The event was started with virtual exhibition briefing about the progress and achievements of each business followed by lamp lighting and garlanding the bust of Late Lala Kamlapat Ji Singhania.

Sh. Bharat Hari ji Singhania (President, J.K. Organisation) delivered the Welcome Speech in the event.

On this occasion the vision and legacy of our beloved founder as an industrialist, a patriot and a philanthropist was showcased during the event. The event was commenced with cultural events performed by the in-house talents of various businesses and also recognized the employees for their long association with the group.

It is our pleasure that our school as well as employee children participated in the cultural event.

The virtual event was witnessed & enjoyed by the employees and their family members from their respective location / workplace and successfully concluded with kind words of Sh. Vikrampati Ji Singhania, Managing Director of Fernner India Ltd. as "Vote of Thanks".

APPROACH the year with a  
RESOLVE to find  
OPPORTUNITIES hidden  
in each NEW DAY.  
GRAB your DREAM  
and never let go....!!

New year wishes from our  
Executive Director (Business Development)

# CSR ACTIVITIES

**CSR**  
Corporate  
Social  
Responsibility

**LIVESTOCK DEVELOPMENT PROJECT :-** UCWL is implementing “Livestock Development Project” in collaboration with the Animal Husbandry Department; Government of Rajasthan. This project aims to reach out to all the cattle farmers residing around the UCWL operational area, providing free doorstep veterinary services (Curative and Advisory).

Since start of the project, over 600 cattle keeper households of 06 nearby revenue villages were successfully surveyed under the project and more than 180 animals were treated benefitting over 60 cattle farmers. Furthermore, over 25 farmers were covered in capacity building initiative where the benefit of balanced animal nutrition and feed supplements was explained, which will lead to reaping an enhanced output. Resource person for the same was Dr. K. G. Nama; In-Charge Veterinary Hospital; Khemli.

**AGRICULTURE DEVELOPMENT PROJECT :-** UCWL perseveres for holistic development of local community by focusing on farm development. The program is aimed at increasing incomes of farming community around operational area by introducing improved agriculture practices among the Project Participants. The program includes soil testing, advisory services, providing fertilizers, seeds, and capacity building resulting in improvement in agricultural productivity.

Further for capacity building of the farmer beneficiaries a “Pre-Rabi Workshop & Farmers' under the project was organized in the Talai Basti of mines lease village Mandesar. Resource person for the same was Sh. Pramod Shakhdiwapee; Assistant Agriculture Officer; Bhatewar. More than 90 farmers were benefitted through this initiative.

**HEALTH CAMP :-** Conducting health check- up camps for the underprivileged around our operational area has been one of the activity which is done regularly by UCWL. During the quarter 06 health camps were conducted treating around 190 patients. This initiative is of great significance especially during challenging time of COVID - 19.

**EYE CAMP :-** UCWL in association with Unnati Sansthan conducted a free Eye Check-up Camp at UCWL Daroli Limestone Mines premises primarily for dumper drivers & labours. This one-day camp comprised comprehensive eye check-up of around 81 patients by team constituted of ophthalmologists, out of which around 29 patients who were identified to have refractive errors, were offered with free spectacles. This program will certainly have a very positive impact on truckers' road safety.

**COVID RESPONSE ACTIVITIES :-** The pandemic posed several challenges in education sector which included an expected rise in dropouts, learning losses, and increase in digital divide. However, COVID-19 also acted as a catalyst for digital adoption in school education. With education institutes reopening and children returning back, it's not only important to address some of the adverse effects caused by the pandemic period, but also to take a forward looking approach to bring a transformation in this sector. In this sector UCWL also provided multifunction printer to the Government Sr. Secondary School, Dhunimata this will allow school staff to ensure learning continuity.

**CSR INDIA AWARD 2021 :-** UCWL was awarded Greentech Foundation “8<sup>th</sup> CSR India Award 2021” for the category “Employment Enhancing Skills” of Women in the year 2020. This award was organized at Mahabalipuram on 26<sup>th</sup> November 2021 to celebrate the contributions made by leading corporates that have made a positive impact on the society through their innovative & sustainable CSR initiatives. The Award Ceremony was attended by Sh. Dharam Pal (IAS) Advisor to Administrator Chandigarh and other eminent personalities.

## KAIZEN

**PROBLEM:-** During operation of De-breaking machine (Brokk 180) after Completion of 10 Meter Lining de-breaking work, Machine had breakdown and required spares were not available for making it operative.

**PROBLEM SOLVING:-** Initially Arranged 24 AC Contactor, Machine started for 2-5 minutes and again went into breakdown.

1. Arranged 24v DC Contactor with add-on NO contact, started the machine & Completed about 25 meter lining de-breaking work.
2. Installed Overload Relay for better protection in case of High Current due to Site condition.
3. We Installed following Electrical components to overcome the breakdown of Machine -  
a} Contactor-24v DC, b} Auxiliary contact (NO/NO), c} Over load relay

After replacement, Machine started successfully without any issue & Lining de-breaking work completed.

**IMPROVEMENTS:-**

1. Machine Forward/ Reverse switch was damaged. Replaced by MCB due to non-availability of Selector Switch. For making it operational.
2. Replaced & Mounted machine contactor and auxiliary contactor with overload relay in proper manner to avoid tripping during machine high vibrations.

Thus we saved approx. 2 days during shutdown; it would cost around 20 Lacs approx.
