Key Note of our WTD on Environment Day to UCWL Parivaar

On behalf of Udaipur Cement Works Limited, I , Naveen Kumar Sharma extend my warm greetings to all the residents of Udaipur city and wish you a very happy World Environment Day.

The theme of this year is only one earth. in our Vedas, the earth has been given the status of a mother, it has been described in a verse of Atharvaveda, that is,

‘माता भूमि पुत्रो अहम् पृथव्या’ अर्थात् हे पृथ्वी, तुम हमारी माता हो, हम तुम्हारी संतान हैं

“ It is the duty that all of us together should protect the earth as our mother.

On this day, we take a pledge that we will not use single use plastic like plastic bags , polythene, etc. in any form, we will try to make Udaipur, the city of lakes, clean and green and make it plastic-free city.

Thank you.

TASK :- Operation of auxiliary Belt conveyors and Retaining wall Pneumatic Gates from existing Crusher DCS

➤ **PRESENT ARRANGEMENT :-** Belts and Pneumatic gates are operated through main Plant CCR.

➤ **MODIFICATION DONE :-**

- Shifting of Feeders from OLBC IMCC to Crusher MCC
- Configuration of above mentioned circuit and related parameters in Crusher DCS
- Installation of Tachometer for OLBC running feedback and at Crusher DCS.
- Deployment of Logics and graphics to run above equipment from Crusher CCR

➤ **INVESTMENTS :-**

- Existing IMCC (Mines end) is free and can be spared for other use.
- Dependability on OFC communication between plant end and Mines end has been reduced.
- Due to breakdown in OFC Joints in Remote Areas along OLBC, there was higher risk of Breakdown which hampered Production.
- Ease in operation for mines operators
- Manpower - General Supply Manpower (2 Electricians)

Thus we made one IMCC free consisting of 30 Feeders, and same can be used in any other section or K2 Project.

It would cost around **15 Lacs** approx.
