

SHRI SHRIVATS SINGHANIA

Director & CEO, UCWL

Note for New Year 2023

Dear Colleagues, Let me take this opportunity to wish the UCWL Pariwar a very happy, prosperous and healthy new year. I want to thank each of you for your commitment and dedication to the Udaipur Cement Works Limited. As we move ahead, our focus should be on reducing cost in all possible ways and taking further steps to make two of our brands strong i.e., 'Platinum Heavy Duty' and 'Platinum Supremo'. To achieve peak performance let's ensure to complete the significant projects before time i.e. New Kiln & Cement Mill 4. While working it's our responsibility to look after our families and spend quality time with them. I hope all of us will learn from yesterday, live for today and hope for tomorrow. Happy new Beginning Happy 2023 to you and your treasured ones. Namaskar!

SHRI NAVEEN KUMAR SHARMA

Whole Time Director, UCWL

Note for New Year 2023

The start of a new year is a great opportunity for the employees of Udaipur Cement Works Limited to focus on building a positive work culture that fosters harmony and diversity. The Whole Time Director of UCWL emphasized on creating an environment that is conducive to growth and success. It is important to create a culture of diversity and harmony, which can drive innovation and help solve complex problems. To achieve this, it is essential to create an inclusive workplace where everyone feels valued and respected, regardless of their background or ethnicity. Creating a positive work culture takes time and effort, but the benefits are immense, including increased productivity, engagement, and loyalty to the organization. Together, let us work towards creating a workplace where everyone can thrive and reach their full potential.

Railway Siding Project inaugurated on March 29th, 2023

We are pleased to announce that after a long wait of 21 years, our railway siding has finally re-engineered and commissioned on 29th March 2023 in presence of Shri Shrivats Singhania, Shri Naveen Kumar Sharma, Shri Vijay Sharma (GM – NWR) & Shri Rajiv Dhankar (DRM – NWR). It will enable us to transport goods and materials more effectively and at a lower cost, helping us save transportation costs and reduce delivery times & carbon emission. We would like to express our gratitude to all those who have supported and contributed to this project over the years, including our employees, contractors and stakeholders. We are excited about that once the work is completed the possibilities that this railway siding will bring to our organisation and we look forward to utilizing it to its fullest potential.

DAROLI SOLAR POWER PLANT

Unique initiative in the field of green energy by launching State's and Industries First Floating Solar Plant at its Daroli Mines in Udaipur.

1 MW solar plant was inaugurated by Mr Mahendra Jeet Singh Malviya, Minister (Water Resources, IGNP, Water Resource Planning Dept.) and Mr. Bhanwar Singh Bhati, State Minister (Power (Independent Charge), Water Resources, IGNP, Water Resources Planning) in presence of Shri Shrivats Ji, Shri Naveen Kumar Sharma Ji, Shri Vijay Sharma (GM – NWR) & Shri Rajiv Dhankar (DRM – NWR).

By implementing this unique solution, UCWL has demonstrated its commitment towards ESG by reducing its carbon footprint while simultaneously contributing to the larger effort to combat climate change.

Mr Shrivats Singhania, CEO and Director, UCWL spoke about the uniqueness of this floating solar plant. This kind of solar plant is first in the country's cement industry. This solar plant will emit 1500 Metric Tonnes of less carbon per year, which is equivalent to planting 1.5 lakh trees in a year. By installing this floating solar plant, approximately 8000 cubic meters per year of water evaporation will be reduced.

The LakshmiPat Singhania School organised the "Annual Sports Day" function on 16th January 2023.

HOLI CELEBRATION

LIMIT SWITCH BASED - EARTHING SYSTEM FOR LIQUID AFR UNLOADING TANKER

The process of filling inflammable liquids for transportation or storage, safety standards and procedures must ensure that the static voltage which occurs during this process, should not lead to an explosion/accident.

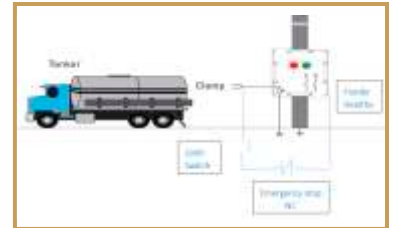

To handle this static voltage, the vehicle or the container should be properly earthed. This is important so that the static voltage does not build up to a dangerous flash point. The Earthing method should be proper and perfect otherwise dangerous losses can take place.

Existing Arrangement :- Earlier There Was a Manual Earthing Provision by Operator, sometimes knowingly /unknowingly earthlings on Tanker Body may be left ON that can lead an Explosion due to Static Charge.

Kaizen Activity :- To overcome this Human Error, we have introduced Limit Switch in the Jaw of Earthing Clamp so that if Earthing Clamp Not Put on the body of tanker then Limit Switch will not press and Feeder Will Not Be Healthy till Earthing Clamp fix on body of tanker thus we can eliminate such kind of ignorance on Importance of Tanker Earthing.

Guided by :- Mr. OP Gadhvi, Mr. Pawan Sharma

Team Members :- Mr. Kuldeep Singh, Mr. Rajesh Rao, Mr Kanhaiya (M/s Vishwakarma Eng.)

52ND NATIONAL SAFETY WEEK

Udaipur Cement Works Limited celebrated 52nd National Safety Week from 04th March to 10th March for Safety awareness at workplace & to motivate staff & workmen to follow good safety practices while working. Every year National Safety week is celebrated with unique theme & this year theme is "Our Aim-Zero Harm". On first day of the week, National Safety Week started by flag hoisting ceremony at UCWL premises followed by Safety speech by our Chief guest Shri Naveen Kumar Sharma (Whole Time Director), Sh. Nirmal Jain (Safety Head) also organized several activities during the safety week like Safety trainings, Rally, Plays, Camps, Workshops various competition like Drawing, slogan, speech, Quiz, Hazard reorganization etc. for employees along with their family members.

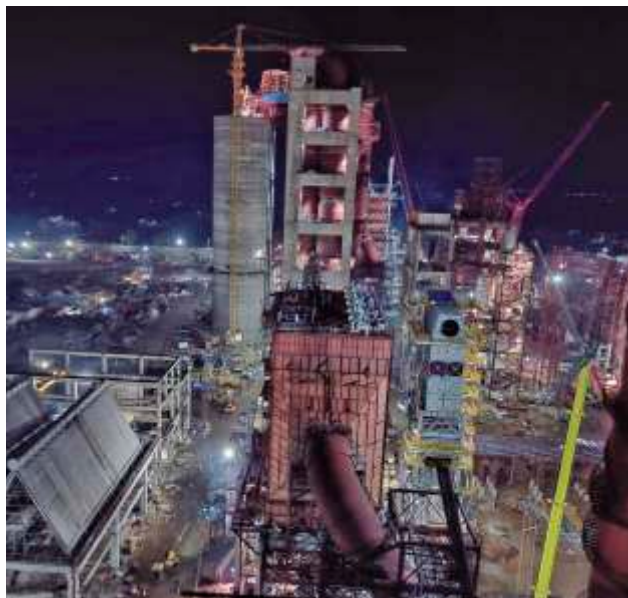

All staff, workmen, students, colony residents & nearby community members were benefited by the awareness campaign. Last day of National Safety week was celebrated as "SURAKSHA SANDHAYA" along with lots of cultural activities & safety awareness. Sh. Jadish Raj Shrimali (State President INTUC Raj, Gen Sec RPCC) was also present at the event & congratulated all the winners of various competitions. Sh. Shreekanth Vyas (SDM-Mavli) also came to UCWL in the closing ceremony and appreciated the wonderful performance presented by all the participants. The program ended by recognizing & awarding all the winners & performers.
