Cricket league among the Udaipur industries

What is World Environment Day?

World Environment Day is one of the largest global platforms for environmental public outreach, with millions of people in more than 150 countries are participating.

It is led by the United Nations Environment Program (UNEP) and has been held annually on 5 June since 1973. The world Environment Day 2023 hosted by Côte d'Ivoire and the theme “Solution to Plastic Pollution” focused to stop single Use Plastic.

On the occasion of World Environment Day many programs were organized by Udaipur Cement Works Limited, the awareness sessions were started with a cricket league organized by Regional Officer Rajasthan State Pollution Control Board-Udaipur in which 13 industries from Udaipur have participated. UCWL also participate in the tournament with name UCWL Eco Eagle. The cricket matches were played under the leadership of the Regional officer
