11. Concluding Ceremony on 10 June 2024

01st June, Saturday – Paryavaran Rally with Plantation

The celebration began with a Paryavaran Rally organized within plant premise joined by staff and workmen, starting from the main gate to the project Line-2 and ended the rally with a plantation drive.

A lot of enthusiasm was seen in the workmen. The event was conducted successfully with whole hearted participation and awareness about plants.

Clay modelling for kids is an incredibly enjoyable and educational activity that has been popular for generations. All the kids from the UCWL family along with their parents have participated in the game, it gives them a secure environment in which to think creatively and develop original concepts.

Each one used their imagination and creativity to make and decorate the models made from clay. The activity was enjoyed by everyone.

04th June, Tuesday - Speech Competition organized for Workmen and Staff

During the speech competition more than 25 Nos participant deliver speeches on given topics and are judged based on various criteria such as content, delivery, language, and overall impact.

Environmental quiz competition was organized to test their knowledge and quick thinking on Environment. During the event participants answered on a variety of the questions

05th June, Wednesday - Pichola Lake Cleaning Drive

The lakes of Udaipur are a testament to the rich cultural heritage of our city and serve as a major attraction for tourists and locals. Rajasthan State Pollution Control Board, Udaipur has organized the Pichola Lake cleaning drive situated in Udaipur. UCWL is actively engaged in such activities & plays a crucial role in raising awareness and promote community involvement to protect and preserve our water ecosystems.

The objective was to spread awareness on the need to protect water bodies from pollution and ensuring a clean and healthy environment for aquatic life and visitors alike. The initiative aligns with the company's commitment to promote environmental sustainability. The event served as a reminder of our responsibility to protect the environment.

05th June, Wednesday – Awareness through Short Movie

A short movie name “Carbon” saw by kids, shown the importance of air and water in our life and what will be the scenario if it will be traded like a product. A day well spent with full of learning, fun and entertainment.

06th June, Thursday
 – Poster
 Competition
 organized for
 Children of staff
 and workmen

06th June, Thursday – Poster Competition and plantation drive conducted for students residing nearby villages

The event was held at Dabok and was open to all students from different classes. The foremost aim of the event is to spread the importance of environment with the help of creativity.

06th June, Thursday – Bicycle Rally

This Cycle rally was spread awareness about environmental protection. The rally was moved from Colony Guest House (GH) to Dhuni Mata turn and then return to GH. It was also an awareness programme about the harmful effects of single-use plastic, knowledge about sustainable modes of transportation such as bicycles, e-bikes, e-cars etc.

The main purpose behind the Rally was to spread health awareness among the student indicatively. It was an endeavour not only to save fuel and save our environment but also to promote cycling for short distance.

07th June, Friday - Garden Development in Colony & Plant

To create the awareness about the biodiversity and water conservation each house owner was invited to present their best practices to enrich your lawn garden. Such competitions not only makes them aware but also to think differently. Mass awareness of learning to live in harmony with nature.

08th June, Saturday – Quiz Competition for Ladies Group

We have also organized a quiz competition for ladies club “Chetna”, Udaipur. The event provided an opportunity for participants to test their knowledge and learn more about sustainable living in home.

We had arranged them in the group of 3 so that team work could be seen. There were 3 rounds; 1st was 10 multiple choice questions sheet, 2nd was on spot question answer quiz and 3rd was extempore.

09th June, Sunday – Run for Environment at Udaipur

The objective of this event was to teach and aware, how we can save our climate from pollution. This was a great initiative to aware and encourage the people to also think about the environmental health.
